HOW 'BOUT IT?...

When you see the yellow bells, jonquils and dogwoods in bloom you know that the beach is not far behind, and you know that the best events of the year await you. There is just an electricity in the air that tells you you're about to get life back. Spring and Summer bring the best events and best memories of the year. Summit 2010 and Go Lake Placid are just a few of the things on the calendar that I can't wait for. It is only 6 weeks until school is out for most of you and for some it is even closer.

The trend in summer is for VACATIONS and praise the Lord for them, but don't forget church in all the busyness and excitement. When you are gone for a few weeks in a row it's sometimes difficult to live by our weekly habits. Another thing to keep in mind is to keep bringing friends to church. With the shackles of school and homework thrown off for a few months, jobs aren't so locked into hours and homework doesn't dominate. If you have someone on your heart who needs the Hope of Gospel in their lives, summer is a great time to bring them to church and get them involved. Overall attendance is lower week by week during the summer months but our influence is multiplied.

Lets make this summer the best summer in a long time. Fight to leverage your influence and prioritize the most important things this summer. The Gospel knows no season. It is alive and at work in all situations.

SUMMIT 2010

I was recently thinking about how the definition of camp has changed since I went as a boy scout to Camp Old Indian. Most of the time we think about camp as a rustic backwoods wilderness experience, but today what we call church camp would most often be classified as a "retreat". (If you went to Bonnie Doone in 2009 you have experienced why we call it "camp") So, for Summit 2010 the trends will continue. We will be heading east July 5th – 9th to Garden City, SC, where we will experience the natural beauty of the South Carolina coast while not giving up quite so many modern conveniences.

Garden City Chapel and Retreat Center will be our abode for the week. Some amenities include basketball courts, volleyball courts, wide open fields for games and football, THE BEACH, and access to all that Myrtle Beach has to offer. We will also spend a day during this week at *Myrtle Waves*, home to the highest enclosed water slide in the world. Although the week promises to be one of fun and excitement, the heart of camp will remain the same – focusing on God's Word. The same great relationships, the same challenging chapels and Bible studies await you.

The cost for the week is \$200. You can register online at www.rockspringsbaptist.com/highschoolforms or pick up a form at the welcome centers. Registration is due by June 20. Don't miss out on this week long experience with God at Summit 2010!
